Hello Sisters, Brothers, and UAW Local 578 Family

It is no secret that UAW Local 578 is in the fight of our lives. Through all the good, bad, and in between, one thing is certain; our entire membership will continue to fight for good union jobs in our community. Folks, we cannot accept anything less, we "Local 578" have been in existence for 84 years and we aren't going anywhere.

For the last several months, our committee has been working hard alongside politicians, labor leaders, and union organizers to get the next generation of USPS vehicles brought to Oshkosh, Wisconsin. I have heard many times in my life that good jobs are worth fighting for! The time is now, we need to fight, to secure our future and the future of Wisconsinites, we need to tell Oshkosh Defense to do the right thing, build it here, build it now!

It is very important that every one of our members, their family, and the entire community stand in Solidarity. I ask you to show up at our rally this coming Saturday, February 26th at noon, in front of Oshkosh Corporation Global Headquarters.

Let's remind Oshkosh Defense that all contracts were won off the backs of "Our Workforce" and that's you! We fight every single day, for every one of our members, their families and those who depend on them. I'm asking you for a couple hours of your negotiated weekend, to stand together and help send a unified message! Thank you.

In Solidarity,
